

Catalyzing Action:

EU SUSTAINABLE LIFESTYLES ROADMAP AND ACTION PLAN TO 2050

26 – 27 November 2012
Brussels

Mathijs Buts
Federal Planning Bureau

Mathijs Buts (Antwerp, 1980) studied political science and development cooperation at the universities of Antwerp and Ghent, before starting to work as a political researcher at the University of Antwerp. He then worked for the construction industry as a consultant on equal opportunities, before starting as an expert in the Task Force on Sustainable Development of the Federal Planning Bureau. The TFSD publishes two-yearly reports on the current situation, the conducted policy and possible scenario's regarding sustainable development in Belgium and abroad.
